BEWARE of the bull

BEWARE of snakes

Take communication device

Safety

Complete the intention to leave register and take a walk card with you, available at RLC reception. Different walks require different safety measures. It is always a good idea to speak to a member of staff about conditions before setting off, particularly for more difficult walks. Wear boots with good tread. Do not disturb logs along path and avoid long grass. Be careful when crossing the creek and the sodden ground nearby during wet seasons.
